

**PADWORTH**  
COLLEGE

A pathway to excellence

## STUDY ABROAD PROGRAMME

## Study Abroad Programme

Padworth College offers a unique educational experience and provides a stepping stone between traditional school education and university studies. Students are closely supervised and supported, but also learn how to study independently and to develop study skills that will allow them to thrive in a university environment.

- A strong focus on the development of independent learning to facilitate the transition from A Level to university
- Small class sizes (average 8-10)
- A diverse international community, with the student body made up of up to 30 nationalities
- Flexible subject combinations
- Oxbridge tutorial style education
- Traditional British curriculum with a modern approach and global outlook
- Full-time, weekly or flexible boarding
- Personalised learning plans with regular testing, leading to focused target setting for each individual student
- Extensive sports and extra-curricular activities
- Excellent track record of placing students in leading UK universities

Padworth is set within an impressive 12 acres campus, close to the city of Reading and just 50 miles from central London. It is led by Crispin Dawson Principal, and is accredited by the Independent Schools Inspectorate (ISI) and the British Council.

*"Padworth is all about equipping you to get the very best from your education, so that you can thrive academically and as a fully-rounded person."*

*Crispin Dawson, Principal*
