

# HIGHLIGHTS

(MARCH 2023)

## Teaching and Learning

“Pupils have positive attitudes and are eager to learn...and make good progress as a result of the regular assessment system.”

“Parents agree that teaching helps their child to make progress.”

“Pupils develop effective and fluent communication skills as a result of the schools commitment to providing significant opportunities for discussion.”

## Caring

“Pupils self-confidence is good due to the school’s caring and nurturing environment.”

“Pupils respect for and appreciation of the diversity of their boarding environment is excellent.”

“Teachers take care to cater for those students whose mastery of English is not yet complete.”

“All parents...agreed that ‘the school equips their child with the team working, collaborative and research skills they need later in life.’”

“Leadership promotes positive attitudes to lifelong learning, helping pupils become confident and self-motivated learners.”

“Boarding makes a significant contribution to pupil’s self-understanding, enabling them to become more confident, independent and preparing pupils for the future.”

“Parents agreed that the school helps their child to be confident and independent.”

“Staff give generously of their time to discuss future choices around careers and well being.”

“There are excellent pupil teacher relationships predicated on mutual respect and kindness.”
